

Your chance to make a difference as trustees & non-executive directors of Get Berkshire Active

Get Berkshire Active (The Active Partnership for Berkshire) is seeking new Board Members including a new Chair. (Positions available due to cyclical retirements)

If you believe in the power of physical activity and sport to transform lives, and you understand the need to get more people more active, then we would love to hear from you.

GBA is a Charity with a vision to 'Get More People, More Active'.

Our Board ensures excellent governance. Board members help the executive team develop long-term strategy and create positive networks of influential people and organisations. A small team of full-time staff deliver a strategic effect using sport and physical activity across Berkshire.

We are looking for a variety of leaders with diverse knowledge and experience to join our Board. We seek applicants from outside the sport & physical activity sector that can bring different skills and experience to us. GBA is a proactive diversity employer; we welcome applications from all members of the community. Previous board experience is not a prerequisite, passion is.
